MONACO DANCE ACADEMY

The best value Hospitality for 2016 is definitely the Monaco Dance Academy. Its terraces are set just above the St Devote chicane, offering fantastic views of the action. This beautiful Belle Epoque Villa is currently home of the Prestigious Dance Academy of Monaco, a landmark which was formerly the home of the Singer Family, who built their empire on sewing machines.

The Dance Academy is more than a venue to watch the race, it has such a glamorous atmosphere because of its location and its long history. Imagine watching the F1™ Grand Prix de Monaco from the comfort of a private villa, it just doesn't get better than that!
