

A day spent at the Clark Pavilion offers an unrivalled Festival of Speed experience. Breakfast -to-tea hospitality and unbeatable views of the event, guests return to enjoy warm service and light and airy surroundings within this restaurant. Share a toast on the balcony or enjoy the sun-drenched pavilion garden, as the greatest cars and stars from the motoring world hurtle their way around Molecomb corner, just a few feet away. You'll be perfectly positioned to experience the full breadth of the festival; peruse the F1 paddock right outside the Pavilion's entrance, use the nearby track crossing to explore the very heart of the event or even hop on a complimentary tractor ride, if you so wish, to reach the nearby exhilarating Rally Stage at the top of the Hill Climb. When you need a break from exploring, the team at the Clark Pavilion will be waiting to welcome you back.
