

The Library Lawn Garden Party is a hidden oasis of calm located at the centre of the Festival of Speed, inside the beautiful hedgerows of the Duke and Duchess's private gardens, where you'll enjoy a brunch buffet and afternoon tea, with a side of exceptional service. When the hustle and bustle of the event tempts you away from your table, you'll find yourself conveniently positioned to enjoy all of the action, including the main paddocks and the Cartier Style et Luxe, an eclectic collection of some of the most beautiful cars you will ever see, just outside the entrance to the Library Lawn Garden Party.
