

Sit back and relax as you enjoy a day of exceptional service and unrivalled views from the Salvadori Pavilions. With its 1950s art deco theme, this sophisticated space is a favourite for those looking for a place to entertain clients and rub shoulders with like-minded people. Whether you're enjoying a delicious four course lunch at your table, sipping Champagne on the balcony or enjoying the luxury of your private garden, you'll never miss a second of the on-track action. Just beyond your private garden, you'll witness the most beautiful vintage cars hurtle around Woodcote Corner, before swerving their way into the chicane as you and your guests cheer them home. The Salvadori Pavilions are also perfectly placed to experience the wider event – with the paddocks nearby and the festivities of our high-street and Over The Road, just a short walk away under the VIP tunnel.
