

Formula 1 Monaco Grand Prix – Yacht Hospitality

23rd to 26th May 2013

The Race

The Monaco Grand Prix is without doubt the most glamorous and prestigious race on the Formula 1 Calendar – prestigious as one of the most demanding race circuits in the world and glamorous with its exclusive backdrop of the French Riviera. There really is no place like Monaco when F1 comes to town! Monaco's narrow twisting streets gives the drivers little room for error which makes for exciting and very close racing.

We are able to offer 'race-day' hospitality on "Sensei" a Formula 1 sponsor's yacht, offering palatial luxury and an experienced race weekend crew. Berthed in its usual position along the Quai des Etats-Unis you will have magnificent views of the track and the giant screen TV.
