Le Panorama Rooftop

Experience the Monaco Grand Prix from our exclusive venue situated on the rooftop of Le Panorama Building on Rue Grimaldi in the heart of Monte Carlo.

The rooftop has fantastic views of the Circuit de Monaco; overlooking the first corner at Sainte Devote and the straight up to Casino Square, as well as the harbour section.

An aerial photograph showing a large marina filled with numerous white yachts and motorboats. In the foreground, a race track is visible with a crowd of spectators and several racing cars. The track has various sponsor banners, including 'Vodafone', 'BRIDGESTONE', and 'GAULLOISES'. A modern building with a curved facade is on the right side of the image.
